everybody getting
what they need
In order to be
SUCCESSFUL.

Pupil Premium

Each school is given Pupil Premium funding for any child/family who is entitled to it. The aim of this is to make sure that all children make the progress they should and achieve their full potential. At Christ Church CE VC infants we always aim to work with you to decide how this money should be spent in order to support your child. We provide a Pupil Premium package to everyone and also offer a more personal approach from academic support to extra clubs and following interests.

WHAT IS THE PUPIL PREMIUM PACKAGE?

Any family who qualifies for Pupil Premium Funding will receive the following package:

- ✓  Uniform package each year. This is ordered through school with Unicorn (Uniform doesn't have to be logo'd)
This includes a leavers hoody (Year 2 only)
- ✓  2 class trips/visits
- ✓  1 free after school clubs per year (Please contact Jen to arrange)
- ✓  Free milk/snacks provided according to need.
- ✓  Personalised support as needed.

Who am I?

Hi, my name is Jen Rylands. I am the Pupil Premium lead here. I am a mum of three, I have a 12 year old boy and 2 girls of 15 and 17, which means I know how hard it can be to juggle school and home life as well as over tired behaviour!

It's my job to make sure that your child is happy in school, has everything they need and is doing well with their learning. I also try to make sure your child has a chance to explore their hobbies and interests through school clubs and activities.

I am here to support both you and your child and want to work with you to make sure your time at

CCI is a positive one. This starts with the Pupil Premium Package we have but doesn't stop there.

PUPIL
PREMIUM

WHAT CAN YOU EXPECT FROM ME?

At CCI we have a strong sense of family and community and want to work with you, we understand that sometimes schools can seem a daunting place especially as it's so different to the way many of us were taught at school. We are friendly and approachable school and believe in working together and the best way to do that is for us to get to know you as well.

Throughout the year I will be:

- ☺ Checking in with your child's progress and supporting where needed.
- ☺ Checking in on their attendance
- ☺ Making phone calls home to share good news as well as check in with you about any concerns/keep you up to date.
- ☺ Working with your child in class during the year.
- ☺ Providing mentoring weekly to children identified by staff.
- ☺ Making sure you and your child are happy and supported. I am here to meet with you if you are concerned about your child's learning or would like support with anything at home. No worry/question is too small I promise.
