Present: Katie Rankin, Cheryl Rudman and Anna Martin

Apologies:

1. Great to see AM helping with traffic and road crossing last week with no Lollipop Lady and no pavements. Also good to see the Police there for parking. The children also enjoyed seeing AM.
2. Thank you to the school on handling the Zebra teaching situation well – no-one has been complaining and the children are fine.
3. The Cheetah door is great but the Penguin patio area is now very busy – AM suggested trying to move the tree and moving the picnic benches.
4. Praise for the new App – both parents can access it which really helps families to stay on top of Admin.
5. AM asked if CCJ parents found the weekly reading diaries with days of the week shown helps to motivate parents to read – all felt it did. AM to pass onto JR.
6. AM asked what parents felt local issues are in the community so that we can shape our curriculum to address these and support children. Youth Crime and supporting elderly people who are isolated or lonely were high priorities.
