- **Y2 Homework booklets – these were great over half term, please can we have term time ones too?** *AM to suggest this to Y2 staff but they will definitely be provided for Easter holidays. Only won't due to workload and us not wanting to overload the children.*
- **Not all classes sending letters/homework home consistently- please can this be raised?** *AM to raise at morning briefing with all staff and certain classes individually. AM to also ask office to email out all letters.*
- **Scarecrow hunt update- over 70 sold, maps to follow. CCJ also having a scarecrow now. Huge thanks to Jodie Godfrey and her helpers for organising. Can any CCJ parents help sell maps at CCJ?** *Katie R offered to help.*
- **SAQ Y2 sports event – shame this was cancelled. How can we promote these events in future to ensure a better take up?** *AM explained that some letters obviously hadn't gone out but also issues over transport to event. AM to consider taking mini bus licence so that community buses can be used.*
- **Parents meeting online – this was great for parents but was it a huge workload for the office?** *JO said lots of work but brilliant response means it is a fairer way so we will fine tune and do again next time.*
- **World Book Day dress up – some complaints about whole school theme –can we do a survey to find out what families would prefer for next year?** *AM to send out survey monkey questionnaire next year to find out what the majority want the school to do.*
- **Please can a Y2 SATs information session date be sent out?** *2 dates set and put on newsletter*
- **Snow closure was managed well – thanks given to school.**
- **Can we put link to the websites listed in the home learning sheet to the games and apps with online resources?** *AM to suggest to staff team but again it will be a workload issue that restricts this.*
- **Y2 Transition to CCJ – please can information be sent out asap?** *AM had already prepared letter to send out after GJ had worked with SF at CCJ on a better transition for this year.*
