

Online safety at home

CCI Internet Safety Newsletter - Issue 2

Top Tip!

We recently played a game in school where we guessed the age ratings of some well known games! Don't forget to check at home too!

Spotlight on ... TikTok (formally Musical.ly)

- Age restriction is 13+
- The app is free to download.
- Some of the videos contain explicit language and sexual imagery.
- There is a risk of strangers contacting your child through comments and messages.
- They have regular challenges and dares usually linked to songs. This can become a trend and encourage children to take part. Parents should carefully monitor TikTok use. Videos play one after another and children can easily find inappropriate content.

National Internet Safety Day

On Wednesday 9th February we celebrated Internet Safety Day! We started the day with an Assembly led by Miss Essex and recapped the Internet Safety Rules. We also played a game called 'What would you do' and looked at different scenarios e.g. you have received a message from someone you don't know what would you do? We had an afternoon of fun and games, designing new apps, writing e-safety songs, making posters to display around the school and creating technology from reclaimed materials!

Resource for Children

In school during our Internet Safety Day we will be reading the story 'Digi-Duck and the Magic Castle.' you can find it on Google.
