

p p

What objects can you see that begin with the p sound? Can you think of any others?

As we learn the formation, we say this rhyme:

Whoosh up, stop, down the pirates plait and around his face then whoosh out

Now you practise...

p p p p

p p p p

Challenge: Put your finger to your mouth as you say this sound, can you feel the air on your finger? Can you do it so you feel a big burst of air?
